- Conversations about Los Rios rollout in Spring

THANK YOU

3 days ago

Today I'm incredibly honored and grateful to be officially inducted into the National Society of Leadership and Success at MBU. I am amazed to discover all the valuable learning resources that this honor society has to offer. More importantly, I am pleased to be part of a community that is inspiring and dedicating. Thank you to my family, friends, and those who've helped me along the way. 🙌 #thensls #thenslsinduction

Yesss!! Finally!!! I really tried to take the time to do this right. Making connections, having the conversations and keeping track of the goals I had set. I still have a long way to go. I'm continuing to work hard for that Bachelors in Healthcare Administration and my LARA Nursing home Administration license! I've taken a long time to get through college. Life hasn't always been easy so I'm celebrating every step of accomplishments .
