

## PROPOSED COMPOSITION CHANGE

**Council:** Executive Leadership Team (ELT)

**Proposed Effective Date:** September 14, 2018 (first regular meeting of fall semester)

**Rationale:** There is an interest in modifying the composition of ELT to include all chairs and co-chairs of the Institutional Effectiveness Council, Operations Council, and Student Success Council. At most, this change would add three individuals to the ELT membership roster. The chairs were previously included due to ex-officio positions. The co-chairs would be additional members unless they were already serving in another constituency-base role represented on ELT.

The proposed changes are designated in red below.

**Proposed Composition (current composition is specified on page 12 of the ARC Governance Framework):**
