

# ARC's Strategic Goals for 2017-2021

**1. Students First** - The College engages and connects students early and often to people, programs, and services as an integrated educational experience. By providing personalized, proactive support, the College fosters relationships that ensure all students, particularly the historically underserved and marginalized, persist, learn, and succeed.

**2. Clear and Effective Paths** - The College provides easily recognizable pathways to, through, and beyond ARC. Offering well defined and supported pathways provides a foundation for success as students enter the College, make timely progress toward achieving their informed educational goals, and seamlessly transfer to other colleges and universities or find employment in their chosen career.

**3. Exemplary Teaching, Learning & Working Environment** - The College ensures an equitable, safe, and inclusive teaching, learning, and working environment. Culturally relevant curriculum, innovative, high- quality instructional methods and technologies, exemplary academic and student support services, and comprehensive and integrated professional development create the best conditions for teaching and learning. The College promotes liberation and honors the dignity, humanity, and contributions of all members of our community.

**4. Vibrancy and Resiliency** - The College promotes a culture of innovation, entrepreneurship, sustainability, and transparent communication. Proactive, effective, and efficient operational systems and governance and data-informed approaches to planning, decision-making, and resource allocation provide a high level of service to our students, community, and to one another.
