DISCUSSION ITEMS:			
Question	Person(s) Responsible	Notes and Next Steps	
How will the college approach the development of its upcoming Institutional Self-Evaluation Report (ISER)? [Attachment].	Thomas Greene	<p>March 17: districtwide accreditation experience</p> <p>March 18: Gohar will be visiting ARC</p> <ul style="list-style-type: none"><li>- decided to use our governance process which brings a group of individuals together to process deliverables such as the ISER</li><li>- mentality change by ACCJC and process changes</li><li>- ISER will be read and reviewed by entire team of peers</li><li>- any deficiencies, recommendations for meeting standard, or recommendations for improving will be identified</li><li>- visiting team will be a subset of the team with very focused areas</li><li>- recommendation for ISER Project Team sponsored by ELT</li><li>- lead/co-lead – Adam Karp/Bill Simpson</li><li>- draft charter to come forward to ELT</li></ul>	

<p>What are the key recommendations of the Educational Master Plan Project Team as outlined in the draft EMP report? How will this plan, once adopted, be utilized by the college?</p> <p>FIRST READING [Attachment]</p>	<p>Project Team Leads</p> <ul style="list-style-type: none"> <li>- appreciation to project team leadership, team members and Cheri Jones</li> <li>- academic senate, student senate, SSC and upcoming classified presentations</li> <li>- not a traditional master plan</li> <li>- serves as a compass for the institution</li> <li>-launched Ideascale to provide feedback</li> <li>- suggestion: add table of contents</li> <li>- language: will, should, may very intentional and purposeful; every imperative has a “will”</li> <li>- suggestion: clarify the use of the language so intent is clear</li> <li>- question: expanding essential skills imperative – seems to focus on degrees and ignores certificates; - - - intent is actually the opposite</li> <li>- what one thing stood out: the ability of AI in the future to replace human jobs; the ability of technology to expand our reach but yet isolate due to a lack of technology</li> <li>- how do we utilize this document</li> <li>- consider the ability to review annually and update the document</li> </ul>
