- **Purpose:** A council of Black faculty, staff, students, and community members that have been selected to provide advisement on issues regarding Black and African American student success and student needs at ARC. The committee will review the recommendations from the AA DI report and other research as it pertains to our students. The committee will prioritize the recommendations and advise Equity Advisory Committee, PES, and ELT on how they should be implemented on campus. Black Parliament will also support the work of the Black Student Success Center (e.g. programming, serve on scholarship committees, etc.). Additionally, they will advocate for the equitable treatment and representation of the Black community on campus.
