

In accordance with California's Code of Regulation, Title 5, ARC's Academic Senate is the organization whose primary function, as the representative of the faculty, is to make recommendations to the administration of a college and to the governing board of a district with respect to academic and professional matters.

"Academic and professional matters" means the following policy development and implementation matters:

- (1) curriculum, including establishing prerequisites and placing courses within disciplines;*
- (2) degree and certificate requirements;*
- (3) grading policies;*
- (4) educational program development;*
- (5) standards or policies regarding student preparation and success;*
- (6) district and college governance structures, as related to faculty roles;*
- (7) faculty roles and involvement in accreditation processes, including selfstudy and annual reports;*
- (8) policies for faculty professional development activities;*
- (9) processes for program review;*
- (10) processes for institutional planning and budget development; and*
- (11) other academic and professional matters as are mutually agreed upon between the governing board and the academic senate.*
