Indigenous Land Use Statement

We acknowledge the land which we occupy today as the traditional home of the Nisenan, Maidu, and Miwok tribal nations. These sovereign people have been the caretakers of this land since time immemorial. Despite centuries of genocide and occupation the Nisenan, Maidu, and Miwok continue as vibrant and resilient tribes and bands, both Federally recognized and unrecognized. We take this opportunity to acknowledge the generations that have gone before as well as the present-day Nisenan, Maidu, and Miwok people.

Maybe let's try a more central location. Not as many people as we hoped. Close to the bookstore? Advertising more through website, flyers, chalk, teachers.

XII. XII. New Business

12.1 Event Planning and Club Funds

- A. Moved by Kevin, seconded by Alicia
- B. Any time clubs have an event, fill out the event planning form so that everyone in the CLD knows what is going on. Clubs can reserve a room in the CLD for meetings. We recommend you make a general club email. You can send a marketing request on inside. Make sure if you use any club funds, you go through the purchase methods. Do it sooner than three weeks before the event. You can also reserve meeting rooms through inside

12.2 Silent Disco Bill

- C. Moved by Kevin, seconded by Michael
- D. In the cafeteria. May not be the best area for comfort, especially if it is not fully closed for normal cafeteria duties. Sage is not able to fundraise, so needs CAEB for assistance. 50 headphones may not be enough, sharing of the headphones needs to be considered. Screenwriting club is interested in creating a segment for the event. Club co-sponsoring. Increased traffic would be nice to advertise clubs, although people would be busy listening to music.
