In accordance with California's Code of Regulation, Title 5 ARC's Academic Senate is the organization whose primary function, as the representative of the faculty, is to make recommendations to the administration of a college and to the governing board of a district with respect to academic and professional matters.

"Academic and professional matters" means the following policy development and implementation matters:

- (1) curriculum, including establishing prerequisites and placing courses within disciplines;
- (2) degree and certificate requirements;
- (3) grading policies;
- (4) educational program development;
- (5) standards or policies regarding student preparation and success;
- (6) district and college governance structures, as related to faculty roles;
- (7) faculty roles and involvement in accreditation processes, including self-study and annual reports;
- (8) policies for faculty professional development activities;
- (9) processes for program review;
- (10) processes for institutional planning and budget development; and
- (11) other academic and professional matters as are mutually agreed upon between the governing board and the academic senate.
