

# FORWARD MOTION

Governance Highlights  
December 2018

## What Happened In The Councils?

---

### Executive Leadership Team (ELT)

- Approved assignment of new faculty co-chair for Student success Council
- Briefly discussed recommendations regarding the ongoing maintenance and support of the governance process
- Discussed CCCCO's required certification of current and impending work relative to Vision for Success

### Student Success Council (SSC)

- Received presentation on changes to the Program Review process
- Discussed Distance Ed & Guided Pathways updates
- Reviewed faculty prioritization process

### Institutional Effectiveness Council (IEC)

- Received updates on Institutional Equity Plan
- Reviewed planned presentations at Spring 2019 Convocation regarding integrated planning and equity plan
- Discussed the campus-wide use of surveys

### Operations Council (OC)

- Reviewed (first reading) the recommendations from the Facilities Master Plan Project Team
- Discussed consensus on conceptual design of the Wayfinding Plan

## What Are We Working On?

---

### Approved Projects for 2018-2019:

Two new project teams are currently considered for work to begin in the spring:

- Enrollment Management
- Educational Master Plan.

## What's Next?

---

Work continues to move forward on the new Health & Wellness Center. Construction of the new space is expected to occur this Spring with an anticipated opening of the expanded Center in Fall 2019.
