What Are We Working On?

Supporting Governance:

- Enterprise Level Scheduling Solution Project Team: currently reviewing/approving their implementation report
- Facilities Master Plan Project Team: the team's final report will be presented to the Operations Council in December and January and is expected to be forwarded to the Executive Leadership Team for a first reading in February and approval in March

What's Next?

With the work of the Enterprise Level Scheduling Project Team concluded, two new teams are currently being considered for work to begin in the spring - Enrollment Management and Educational Master Plan.
