DISCUSSION ITEMS:			
Question	Person(s) Responsible	Notes and Next Steps	
Pros and cons of models/examples of Wellness Centers (links attached under Supporting Resources)	Breanne Holland	1) "Wellness" vs "Health" Center a) How we name the center will give implications for services offered b) Wellness centers have various attributes on college campuses; for the purpose of our center, we want to focus on the physical and mental medical health/needs/concerns of students as opposed to functional health	

Who should we invite for subject-matter presentations e.g. Director of The Well at CSUS.	Breanne Holland	1) HSACCC 2) Becky Pirelli – Peralta CCD 3) The Well director (CSUS)
Additional discussion topics	Parrish Geary	1) Fee announcement with marketing about “why” 2) Title V – cannot use funds to serve a select few 3) Final report from D.O. workgroup a) Is there a District-wide vision? i) Many “partners” rotating between campuses ii) WellSpace Health contract 4) Facilities Update a) Waiting on feasibility report i) Expected 09/14/18 (post-meeting) ii) Additional space added by acquisition of current e-Services space is ~200sqft iii) Considered early on the feasibility of moving in by Sp. 19? (1) What if we cannot move? (a) How to offer expanded services in current space? b) Services offered should be determined in order to determine building codes to use for space c) There’s a proposal to have a focus group to converse about the Health Center design 5) Create a survey to gauge the campus needs from the students’ perspective. 6) Current nurses are already at maximum offerings for their licensure 7) Additional services a) Hire vs partnership – what would the committee recommend? b) Distinguish the difference between contracts and partnerships 8) Other Health Center considerations: a) Physical Health Services-UTI, Strep and other Health services b) Completed by an outside specialist (i.e.Nurse Practitioner) c) Reproduction Services d) Mental Health-short term counseling; consider frequency of visits e) Health Educator (Office Staff member) some job duties are-social media programming and Peer Mentor f) Episodic Care g) Adjunct Nurse h) Health Center collaboration with College Health service programs.
