#### **UPDATES AND BRIEF REPORTS:**

Topic	Person(s) Responsible	Notes
Council Chairs and/or Co-Chairs will provide an update on the work of their Councils, including the efforts of their respective project teams.	Council Chairs / Co- Chairs	Student Success Council - resource panel appointed for SEA, due to DO March 15 - short turnaround time for faculty response; can provide copy of draft to Academic Senate when submitted to DO - charters for enrollment management and education master plan  Operations Council - received updates on safety, guardian app - encourage usage, and fire drills - all should be aware, not necessarily held responsible if something happens, all gender restrooms and signage - discussed indigenous land statement from Native American Resource Center; mining display near Davies Hall is offensive to Native Americans; currently searching for background information on display; potential display of native American art; guidelines in facilities master plan recognized and respect for Native American land  Institutional Effectiveness Council - reviewed ACCJC midterm report - discussed integrated planning guide; project initiation for professional development; update from institutional equity plan team, data on demand, integrated planning portal development, alignment of goals and metrics between ARC and Vision for Success; alignment and timelines for Vision for success metrics, SEA compliance report, institutional equity plan, and CUE equity institute

## **ACTION ITEMS:**

Question	Person(s) Responsible	Notes and Decision(s)	Next Steps
Approval of February 4, 2019 ELT Notes	Thomas Greene	approved – thumbs up with noted changes - fire alarm schedules to fire drills - SCC to SSC - change reference of LRPD to LRPD headquarters	
Does the ELT support the recommendations of the Facilities Master Plan Project Team represented by the draft	Thomas Greene	- changes with wayfinders colors and symbols - LRPD moved from admin to promenade - keep discussion open re funeral services; still discussing square footage and making certain it reconciles with what we currently have - next step: Facilities Master Plan being vetted through District approval process - changes will be reported - question posed re: use of "red zone" in reference to our	

Question	Person(s)	Notes and Next Steps	
DISCUSSION ITEMS:			
Does the ELT support the final version of the Mid-Term Accreditation Report?	Adam Karp	<ul> <li>presented to Board of Trustees at February meeting</li> <li>Board of Trustees approved</li> <li>cleaned up to links on sources of evidence</li> <li>March 15 submission to ACCJC</li> <li>thumbs up on final report</li> </ul>	
Does ELT support the recommendation from the Institutional Effectiveness Council to initiate a project team for Institutional Professional Development?	Adam Karp and Thomas Greene	<ul> <li>recommendation for project team came from development of institutional equity plan</li> <li>greater focus and alignment with supporting effective teaching and learning</li> <li>integration of SEA funding important</li> <li>initiate earlier but perhaps team functions fall through spring</li> <li>sequencing of team's work can be written into charter so that work accomplished earlier can/will be used in future work</li> <li>thumbs up on project initiation</li> </ul>	
Does ELT support the draft Charter of the Strategic Enrollment Management Project Team?	Thomas Greene	<ul> <li>changes include addition of item c.X on deliverables along with d &amp; e.</li> <li>much more conversation with DO regarding enrollment management</li> <li>taking recommendations from Start Right and incorporating work with enrollment management</li> <li>possibly seek feedback from department chairs as work begins to develop</li> <li>be specific in charter and flow of deliverables</li> <li>add in Academic Senate review</li> <li>possibly add in monitoring of disaggregated student data</li> <li>no mention of how student voice will be included; possibly add to charter templates as options</li> <li>thumbs up on draft charter</li> <li>to be brought back with future changes</li> </ul>	- return to E with future changes
Does ELT support the draft Charter of the Educational Master Planning Project Team?	Thomas Greene	<ul> <li>roles of team members not yet specified</li> <li>very short timeline; perhaps develop more realistic timeline</li> <li>no mention of how student voice will be included; possibly add to charter template as options</li> <li>thumbs up on approval of draft charter</li> <li>to be brought back to ELT with future changes</li> </ul>	- return to E with future changes
Does the ELT support the recommendations of the Integrated Planning Improvement Project Team represented by the draft integrated planning guide?	Thomas Greene	- no changes and no feedback since last presented - thumbs up on approval of draft guide	
Campus Master Plan?		veteran students; didn't negatively translate for all veterans - can't predict everything and changes can be made in the future - implementation of wayfinding and zones will begin right away - thumbs up on approval of draft plan	

Question	Person(s) Responsible	Notes and Next Steps
What are the new and continuing project teams that we have committed to for the 2019-20 academic year, and what others are being/should be considered? What are next steps in the initiation of these project teams (e.g., Sustainability)?	All	<ul> <li>establish project teams so preliminary work can be done over the summer</li> <li>end academic year with identification of team members for each</li> <li>project initiation charter for sustainability coming to March Operations</li> <li>Council meeting</li> <li>district governance morphing; project charters being developed at district level so do we need a local team to coordinate/facilitate work on campus (degree planner and Hobson Starfish early alert)</li> <li>not certain we need project teams around these two at this time</li> <li>project team at DO about simplifying the front door and streamlining onboarding</li> <li>acknowledge Bill's work with reaching out to colleagues at other colleges</li> <li>opportunity and need for project team about front door/onboarding or incorporate into strategic enrollment team</li> <li>develop team(s) supporting and enhancing support of disproportionately</li> </ul>

		impacted student groups		
How will the College acquire feedback on the ELT member's experience within the new governance system?	Adam Karp	<ul> <li>opening conversation on how we can collect feedback</li> <li>started semester with training so did training provide the information/services needed</li> <li>not only include members of current teams/projects but also members of the college community</li> <li>look at usefulness of Basecamp; possibly run diagnostic to see how much it's being used</li> <li>no formal commitment of using a specific platform in a certain circumstance</li> <li>insufficient training</li> <li>short survey for teams, councils and ELT and council chairs</li> <li>discuss at meeting prior to end of semester</li> <li>results may drive fall training</li> <li>additional development for IGOR usage</li> <li>include feedback on IGOR in survey</li> </ul>
