| UPDATES AND BRIEF REPORTS: | | |
| Topic | Person(s) Responsible | Notes |
| What are the facilities and maintenance updates? | Cheryl Sears | Annaliese Pennell, representing Cheryl Sears, updated the Council on facilities and maintenance projects: 1) Wellness Center's 90 day "build" started on October 21, 2019 with no significant impact to pathways; 2) Pathways between Administration and Welcome and Support Center Building will not be open until December, and the north end of the Welcome & Support Center fencing should be removed within a week; 3) Physical Education's fence for weight room usage was finished today, and will have artwork screened onto it for aesthetics; and 4) Access Road by Health & Education/Kinesiology will be available with crosswalk and stop signs. |
| What is the progress on the implementation of "wayfinding"? | Cheryl Sears | Wayfinding parking lot signage will go up first, then exterior building signage and within the next few months, signage in accordance with the Wayfinding Plan completed by January 2020; |
| What is the progress on the implementation of the "wellness center" project team recommendations? | Parrish Geary | Parrish Geary updated the Council on the activities of the Wellness Center. A new director started on October 21, 2019, and the build out has started. |
| What are the technology updates? | Jeff Bucher | Adam Karp provided a technology update and shared that due to security issues related to the student emails. The student email accounts will only be established following the students enrolling in classes with our colleges. |
| What are the safety updates? | Captain Day | <p>Captain Chris Day updated the Council on Campus Police new hires. He indicates that one new officer may be hired by the end of 2019, 2 police cadets will graduate from the Cadet Academy in November 2019 and will start at the end of the year. Right now, ARC has one sergeant and one captain and one day officer and one night officer who are stretched thin covering their regular shifts plus football and other events, plus outreach centers.</p> <p>In addition, Captain Day attends "Talks with Thomas," gave two safety talks, toured Mather with Chief and Dean of Technical Education to take stock of breakins, will attend gas mask training, and will attend "Coffee with a Cop" meetings. All fire drills have been completed for ARC's campus.</p> <p>With the ACES training and the Preparedness Assessment Team (PAT) discontinued, Kuldeep Kaur asked about the EOC and the campus role versus the district role; Captain indicates that there are discussions taking place.</p> |
| | | <p>The Operations Council sponsors the Sustainability Team. Narine Madramootoo Co-Chair of the Sustainability Team updated the Council outlining the 2025 regulations mandated by the State will be enforced on all community college campuses, and will attend a sustainability conference with two other Team Members to bring back processes and plans implemented by other community colleges.</p> <p>The Sustainability Team Plan will consider the following: 1) engagement and</p> |
