<b>UPDATES AND BRIEF REPORTS:</b>					
Topic	Person(s) Responsible	Notes			
What are the facilities and maintenance updates?	Erica Wescoatt	Planning stages started for Natomas and Tech Ed. Wellness center might be pushed back by a week; early February. Wind screen up by PE weight rooms. The thoroughfare between Myrtle East and west has been opened and you can now drive from the east to the west parking lots. Stop signs and crosswalk between the back of Health Ed and PE have been installed. Bus stop concrete will be poured on 2/8/2020.			
What is the progress on the implementation of "wayfinding"?	Erica Wescoatt	At least one banner in each parking lot is up. More to come soon. All signs except those in construction area have been replaced. Working on getting old signs down along Myrtle. Potential area to explore is to improve the app to be able to know which specific room rather than just building location GPS'ed. Also, to have that app on kiosks on campus rather than just a phone app available.			
What is the progress on the implementation of the "wellness center" project team recommendations?	Parrish Geary/Cheryl Sears	Feb 24th Grand Opening reschedule to this date (original date was 2/3/2020); Working with Nursing dept. and resp. care to make it in style of a health fair. Once Current health center moves, PIO's office and academic senate office will move into the current space in the Admin bldg.			
What are the safety updates?	Captain Day				
What are the technology updates?	Jeff Bucher	Windows 10 - about 40 computers left. Next project: will change out everyone's phones. Outreach centers have already changed theirs. Should be a seamless process; current phones are "out of service". Mid-February will start the process.			
What is the progress on the Sustainability Improvement Project Team work?	Narinedat Madramootoo	First reading will be at February Meeting.			
Governor's Proposed Budget for Fiscal Year 2020-21	Kuldeep Kaur	Members will review budget on their own (attachment).			
What are the updates for Guided Pathways Implementation/HomeBase Communities work?	Adam Karp	HomeBase experience at Convocation - presentation by divisions; Next up - Steering/Implementation Team will start meeting 2/5/2020 that will review feedback and start moving forward.			
<b>ACTION ITEMS:</b>

Review and approve meeting notes from 12/17/2019	Olga Prizhbilov	5	Approved by Consensus.		

**DISCUSSION ITEMS:**

Question	Person(s) Responsible	Notes and Next Steps
How does campus art (e.g. murals) get approved at ARC?	Kuldeep Kaur	Tabled for February
EOC Roster	Kuldeep Kaur	Tabled for February
Develop "everyone on exchange guidelines."	Scott Crow	Need to create a subgroup of operations council to create some guidelines for who can send out communication on "everyone on exchange". If we stay w/ current system, we need to talk about consequences of what the college will do if we have a problem with mass emailing in the future. OC decided that we will work on this as a group. Scott will send out a draft of the guidelines and OC will review it at February meeting.

**ITEMS FOR FUTURE CONSIDERATION:**

Topic	Contact Person

**OTHER INFORMATION:** Send out master calendar to all members - OC meets on 4th Tuesday of every month. Sustainability report - need dates to Adam on when it's going to Academic and Classified Senate.
