#### ACTION ITEMS:

Question	Person(s) Responsible	Notes and Decision(s)	Next Steps
Does the ELT support the formation of an UndocuScholar Resources Support and Advisory Committee ? See Attached Link	Jeff Stephenson	Thumbs up	
What would be the intended outcomes of the Technology Master Plan project team, and does the ELT support initiating a project team to facilitate these deliverables?	Kuldeep Kaur	<ul style="list-style-type: none"> <li>- traditional technology problems generally focused on instruction</li> <li>- remote work highlighted need for others</li> <li>- District would like to have district-wide strategic IT Plan</li> <li>- suggest modifications to allow extra time for the district plan to develop and to align membership between the college and district teams</li> <li>- work needs to be done on how to collaborate districtwide but still remain agile</li> </ul>	

#### DISCUSSION ITEMS:

Question	Person(s) Responsible	Notes and Next Steps
What do you see as the most significant implications associated with the primary recommendations contained within the Sustainability Project Team Report? (First Reading) Note: A presentation will be provided (Attached) by the Lead/Co-Lead of this project team.	Kuldeep Kaur	<ul style="list-style-type: none"> <li>- appreciates the work of the team</li> <li>- can this work be merged with the equity work at least in areas of overlap?</li> <li>- how does this translate to the work of the college?</li> <li>- would also like to see a connection to PD plan</li> <li>- presentation put on Academic Senate discussion board following presentation (no comments yet)</li> <li>- some aspects of the recommendations are within the realm of ARC and some aspects are not</li> <li>- implementing some recommendations seem to be more challenging than other team reports (simply because of the level of change involved)</li> <li>- some challenge in developing entire office dedicated to sustainability in the short term</li> </ul>
