What is the update on the Accreditation ISER? Adam Karp will share the progress on the ISER. See the attached files for a link to the draft, and please feel free to make comments/suggestions directly in the document. The accreditation team welcomes our comments/feedback on all parts of the document, but if you are short on time, the Student Success Council may be most interested in Standard II, which focuses on instructional programs, library & learning support services, and student support services.	Adam Karp	45 min.
Who will serve as the next Student Success Council co-chair? Sarah will conclude her term as co-chair at the end of Spring 2022. We will need to recruit a new co-chair to start in Fall 2022! This person could be a faculty member or a classified professional. If anyone is interested in potentially serving in this role, they could come aboard as a "vice chair" in Spring 2022 to learn the role. Sarah will share her experience as co-chair and a list of	Frank Kobayashi & Sarah Lehmann	20 min.

responsibilities and opportunities that accompany the role. Does anyone have any thoughts, ideas, comments, etc. about how to establish a process for recruiting and training co-chairs?
