Accreditation	Adam Karp	<ul style="list-style-type: none"> <li>- Presented by Melanie in Adam's absence</li> <li>- Some work fell behind and resulted in last minute scrambling</li> <li>- Presentation to BOT this month with a focus on HomeBases</li> <li>- Team will review ISER and evidence provided</li> <li>- Team then visits in October 2022</li> <li>- A huge thank you to those who picked up the slack and reviewed in detail over the past two weeks; greatly appreciate the partnerships</li> <li>- Big picture - our processes and procedures are sound</li> <li>- ACCJC moved from punitive action to being supportive of colleges</li> <li>- Need to have a post mortem of our process</li> <li>- We had great bones for developing ISER but may not have had the capacity or time for implementation</li> <li>- Still time to review and comment; doesn't go to ACCJC until December or January</li> <li>- Having candid conversations so we won't be here again</li> </ul>
Spring 2022 Convocation Planning	Melanie Dixon	<ul style="list-style-type: none"> <li>- Past two convocations have been a little rocky</li> <li>- Owe college community a thoughtful program</li> <li>- Planning document produced and has been initially reviewed</li> <li>- Three planning sessions already scheduled prior to end of the semester</li> </ul>
HomeBases	Melanie Dixon	<ul style="list-style-type: none"> <li>- Team brought together and planned for on-ground HomeBases</li> <li>- Covid happened and HomeBases went virtually</li> <li>- Now there's a need to plan for both virtual and on-ground</li> <li>- Jeff and Frank lead Homebase resource team to reflect on the work accomplished and work for the future</li> <li>- Possible further discussions with program pathways group next semester</li> <li>- Need to fit HomeBases, Program Pathways, Areas, and need to engage in further discussion about how all these mesh together</li> <li>- Need a workable structure so fantastic work can be accomplished</li> </ul>
Hiring	Melanie Dixon	<ul style="list-style-type: none"> <li>- About 11 full-time faculty positions likely available to hire in Spring 22</li> <li>- Huge gap between what we need and what we'll get</li> <li>- For manager positions, need to make great hires</li> <li>- Need to be certain we can provide assistance with gaps in competency, etc.</li> <li>- We offer great resources to new faculty but don't provide resources to existing faculty</li> <li>- A real gap exists between the curriculum offered to new faculty and existing faculty having no idea what's covered in that curriculum</li> <li>- Perhaps use existing resources to offer pre-NFA faculty the opportunity to grow and experience something new</li> <li>- Provide some leadership cultivation</li> <li>- Peer review team members may not be connected to NFA curriculum and could be detrimental to achieving tenure</li> </ul>
