| New AB 705 Guidance and Math, Part 1 (2pm) The College has received guidance from the State Chancellor's Office that beginning in Fall 2022, no below-transfer level math courses may be offered (with a few exceptions). To help the Council understand what's going on, representatives from the math department will provide a brief reminder of what AB 705 is, the rationale behind it, and how it has been implemented in the Math department over the last few years. Then, they will explain what this recent guidance says and what it means for ARC Math classes. Then, there will be time for questions & discussion.   | Frank Kobayashi, Adam Windham, Sharon Gott, Michelle Brock, Phil Smith | 30 min.       |
