For the next several meetings, we will review and discuss a section of CUE's "Checklist for Sustaining Institution-Wide Racial Equity." This meeting, well look at section 1, "Racial Equity as a Priority." The goal is to build our capacity as a Council for reviewing College policies, programs, practices, and structural changes from a racial equity lens.	Sarah Lehmann	30 min.
We are finally returning to look at the Student Success Council Charter. Our current charter was for 2017-2020 and is in need of updating. We began discussing possible updates last semester. We will spend time during the next few meetings discussing the updates until we're happy with it. then we will ask the ELT to re-approve our charter for 2022-2025. Also, we've been asked to write a short summary/blurb about SCC to go in IGOR. Hopefully we can use the "Purpose" section from our	Sarah Lehmann	30 min.
