ARC is engaging in a new cycle of Strategic Planning during the 2022-23 academic year. During the Fall 2022 semester, we reaffirmed our Strategic Goals for 2023-2030. In January and February, the Office of Equity, Institutional Effectiveness, and Innovation held community forums to gather community input to 1) identify critical strategies our College will use to make progress toward achieving our Strategic Goals over the next seven years and 2) determine how we will measure our progress using metrics for District and College indicators of achievement. During this agenda item, we will share the critical strategies and indicators of achievement that emerged through this process and seek consensus on our 2023-30 Strategic Plan.
