ARC is engaging in a new cycle of Strategic Planning during the 2022-23 academic year. During the Fall 2022 semester, we reaffirmed our Strategic Goals for 2023-2030. In January and February, the Office of Equity, Institutional Effectiveness, and Innovation held community forums to gather community input to 1) identify critical strategies our College will use to make progress toward achieving our Strategic Goals over the next seven years and 2) determine how we will measure our progress using metrics for District and College indicators of achievement. During this agenda item, we will share the critical strategies and indicators of achievement that emerged through this process and seek consensus on our 2023-30 Strategic Plan.	BJ Snowden, Jen Laflam	<ul style="list-style-type: none"> - Items captured during the community forums for Strategic Planning have been documented and whittled down to become our smaller goals used to help reach the broader scope. - The finalized list will be shared at our March meeting.
Accreditation Reaffirmation	Bill Simpson	<ul style="list-style-type: none"> - Our Accreditation status is finalized and we are set to go through the process in 2029. - There will be a midterm report in 2025-26. - It was asked whether our IEC notes would prove to ACCJC that discussions take place concerning our accreditation status.
