Question	Person(s) Responsible	Notes and Next Steps	
Issue brought forth from people in the library that seem to hear these questions often: - Lack of food on campus after 2pm, particularly in the evenings - Students can only buy scantrons during bookstore hours, but often need them for tests before the bookstore is open - Lack of a safe space to wait for someone to pick them up after evening classes	Koue Vang	Provide paper cups at refill stations Coffee shop hours will be extended in Spring 2024 to accommodate evening classes. There are grab & go items there too: Monday - Thursday 7:30am - 7:00pm Fridays 7:30am - 2:30pm Work w/ Ops Team to move scantron vending machine from Public Safety Training Center in McClellan to main campus Will discuss with Ops team and LRPD re: secure waiting areas for students attending evening classes
